## Family Vacations

### Costa Rica is an ideal destination for family vacations!

Our Costa Rican vacation packages will surely be remembered as the best vacations enjoyed by the entire family. We understand the importance of family travel – a voyage to a new country is worth more than 1,000 books or pictures and Costa Rica is definitely a destination for fun and educational family vacations!

## Golden Years Travel

Want to put a little spice in your vacation plans this year? Why not head to Costa Rica with Chiquita Tours? With warm sunshine, beaches that stretch for miles and the laid back Tranquillo lifestyle it's easy to see why over 100,000 retirees call Costa Rica home. Best of all, Costa Rica is a country where your dollar really does go further. How about a drink for under \$2 or a full meal for about the same price? So with most hotels offering breakfast included, you'll be spending a lot less on those extras.

### Optional customized activities include:

- Deep Sea Fishing
- Scuba Diving
- Kayaking
- Hiking an Active Volcano
- Soaking in Thermal Hot Springs
- Bird Watching in Manuel Antonio
- Zipline Through the Jungle Canopy
- Repel Down a Costa Rican Waterfall
- Butterfly Farm and Botanic Gardens
- Safari River Float
- Catamaran Cruise
- ATV Touring
